

WINE LIST

We at Zucca have teamed up with a new wine importer and have personally been involved with the selection process of this new exciting wine list.

The team have had to taste a large selection of wines (It's been tough!) from around the globe. We really wanted to come up with an offering that is unique and special.

The Italian theme very much features (of course) and we are excited to work now with top producers like Frescobaldi, Ca' Rugate, Cantine San Marzano and Bove.

If you like the Chablis style then try the Pomino Bianco! This really impressed! Also featured is the red grape the Sardinians cherish 'Monica' which you can taste from Poderi Parpinello.

We have also added a modern twist and selected wines from the new world and other exciting countries and regions. The 'Teran' Red and 'Malvasia' white from Croatia's Dalmatian coast are a must try and really excited our palates. Experience classic Italian varieties from Australia with expert producer Fox Gordon. The Nero D'Avola from Adelaide Hills is explosive and the Fiano has such exciting character.

See also our special 'Zucca' choices. We tried too many wines to feature on our new list but will introduce new specials throughout the year. Any questions please ask our staff who will be happy to recommend their favourite choices.

Enjoy !
